

## Advertise in the official Luxembourg Pride Guide!

Before and during the LUXEMBOURG PRIDE we advertise our event with the official Pride Guide, which gives our potential visitors all the important information about all activities.

We print 5000 copies of this guide and all are distributed by our partners and during various events of Rosa Lëtzebuerg. For example, it will be available at the Esch City Tourist Office and it will be part of the welcome box for tourists.

Three different formats are available: quarter page, half page and full page. We offer also a discount for Non-Profit-Organisations.

### Data informations:

Your advertisement should be available as PDF and created in the CMYK color mode for best printing results. If possible, it is best to foresee a surrounding trim of 2mm. As a precaution, maintain a safety distance of 6mm between fonts or images and the edge, as tolerances can occur during the printing and cutting process.

Please send your file to [design@gaymat.lu](mailto:design@gaymat.lu) until the 5 May 2019.
