### Informations:

For planing the time schedule and the running order, we need a list of all the participating groups. Groups with 5 or more persons can have an own block in the march.

This year it is again possible to participate with an own chariot, respectively a parade truck. Parade Trucks are allowed with measures of a maximum width of 3m, a length of 8m and a height of 3m. Take a look on Rental Websites like [www.intralux.lu](http://www.intralux.lu) etc.

*We strongly encourage participants to bring banners, signs, flags or any other colourful attributes for having a vivid Pride.*
